

The Cruise Line Ltd.

Dear CLIENT,

We are sorry to hear about your desire to cancel your cruise reservation. As you know our agency strives to provide our clients with the best service possible. For your protection it is necessary to fill out and fax this form to us to confirm your cancellation. This form will protect you and assure you that your cruise is cancelled and that you will have no more liability for this reservation.

Note: We cannot cancel your cruise reservation until this letter has been signed, dated and faxed to **(301) 990-2629**.

Each cruise line may have cancellation penalties according to their guidelines and policies. According to the terms and conditions in your original cruise confirmation letter, our agency holds 10% as future cruise credit. Future cruise credits will be available for you to put towards a future cruise reservation through our agency. All credits must be used towards a cruise of equal or greater value as the original cancelled cruise. Future cruise credits must be used within a one year period from issuance on any deposited sailing. Future cruise credits are non-transferable. For any questions regarding cancellation penalties please contact our Customer Service department by phone at 1-800-470-6545 or by email at customerservice@lowcruiseprices.com.
